

**Before the hurricane. Before  
the evacuation. Before the traffic.  
Know your zone.**

## **Know your evacuation zone!**

That way, when a storm hits, you'll know if you should stay put or leave. It could stop you from being stuck in traffic in a storm – and it could save your life, too. To find out your zone: Go to **[KnowYourZoneVa.org](http://KnowYourZoneVa.org)**
